Welcome to complete reassurance

Members of the Kbsa are able to access a Kbsa approved ConsumerCare Plus Insurance scheme to safeguard kitchen, bathroom, bedroom or home office installations. By obtaining a ConsumerCare Plus Insurance policy through your chosen retailer you will be protected in the future if the retailer ceases to trade due to insolvency.

So, what is the ConsumerCare Plus Insurance scheme?

The ConsumerCare Plus Insurance scheme provides insurance protection as part of any domestic kitchen, bathroom, bedroom or home office installation for contracts up to £75,000 in value. Under the terms of ConsumerCare Plus Insurance, customers are provided with insurance cover to protect them in the event of the retail member ceasing to trade due to insolvency.

The scheme provides:

Deposit and Work in Progress Cover:

Deposit protection provides cover for a period of up to 120 days from the date of the payment of a deposit, for an amount up to 25% of the total contract price, the deposit payment made or £18,750 whichever is the lesser. This cover is increased to an amount of up to a maximum of 50% of the total contract price, the deposit payment(s) made or £37,500 whichever is the lesser, during the 14 days after the last deposit payment is collected, prior to the delivery of materials.

Work in progress cover comes into effect after the delivery of materials and provides cover for a period of up to 42 days (6 weeks) from the delivery of materials to the completion of the installation. Cover is provided for an amount of up to 50% of the total contract price, the deposit payment(s) made or £37,500 whichever is the lesser.

Warranty cover:

Warranty cover comes into effect upon satisfactory completion of an installation, with the policy providing cover for a period of 6 years. Initially cover is provided against defects in the workmanship of the retailer for a period of 2 years from completion of the installation.

On expiration of the initial 2 year period, protection is provided against a major defect occurring within the next 4 years, for an amount of up to a maximum of 100% of contract price or £75,000 whichever is the lesser. A major defect is considered

to be an acknowledged defect which is caused by defective workmanship carried out by or which is the responsibility of the retailer which results in rectification work to over 40% of the insured works.

In respect of warranty cover, the maximum liability of the Insurer under any one policy of insurance will be the contract price.
